WOODRIDGE INTERVENTIONS

Outpatient Substance Use Treatment Services

If you or
someone you
know is struggling
with addiction,
call us at
(630) 968-6477.

Our addictions professionals are ready to help you with:

- ✓ A no-cost assessment to address treatment needs
- ✓ Determination of an appropriate level of care
- ✓ Advice on eligibility for insurance, Medicaid, or related coverage

Our outpatient treatment services are designed for individuals who are struggling to cope with addiction, yet are:

- Able to remain at home;
- Capable of continuing with work or school; and
- Not assessed as needing a higher level of care (such as detox or other inpatient treatment).

FEATURES:

- Three different services available:
 - Outpatient (Level I)
 - Intensive Outpatient (Level II)
 - DUI Evaluations and Classes
- Age and gender appropriate services
- Individualized treatment planning
- Certified addiction counselors
- Evidenced based clinical treatment methods
- Family education and involvement
- Individual and group therapy
- Psycho-educational groups
- 12 Step Recovery principles
